No man on the bench in Cook County stands higher in the estimation of the people than Judge Edward Osgood Brown.

Judge James C. Martin is making the fine record on the Municipal court bench that all his friends predicted he would make.

Hans Luchow, the popular Chicago manager for August Luchow, stands foremost among Chicago's most successful business men.

Dunne for governor is the battle cry of the Democratic rank and file.

Judge Edward O. Brown has won the admiration and confidence of both bench and bar in Cook County by his long and brilliant record.

No man on the Municipal Court bench has made a cleaner or abler record than Judge John R. Caverly.

Judge Edward Osgood Brown stands foremost in the estimation of all Chicagoans both as an able and upright judge and a public spirited citizen.

How many aldermen are owned by the phone company?

The Chicago Telephone Company is bound by its franchise to submit to any order passed by the city council regulating either its charges or its equipment. Section 7 of the ordinance granting the franchise says:

"The city council as one of the conditions of the grant of the privileges herein conferred upon the Chicago Telephone Company hereby reserves to itself the right from time to time during the period of this grant, by special ordinance amendatory hereto, to hereafter establish, fix, prescribe, and regulate the rates, charges, prices and tolls or other compensation or any limitations thereupon for each and every kind of service, facilities, and equipment which the Chicago Telephone Company furnishes or supplies or may furnish or supply in the city of Chicago under this ordinance, and also the basis, method, manner, and means of computing, exacting, imposing, paying, and collecting such rates, charges, prices, and tolls or other compensation of said Chicago Telephone Company."

Elsewhere in the franchise, in section 5, is found this paragraph:

"The city council shall have the right by ordinance to regulate from time to time during the term hereof, in any manner each and every kind of service which said Chicago Telephone Company may hereafter deal in, furnish or supply in the city of Chicago under or by virtue of this grant."

In section 16 is found this provision:

"But said Chicago Telephone Company by the acceptance of this ordinance shall be understood as precluded from in any manner attacking or questioning the power of the city of Chicago to exercise the authority, powers, privileges, and rights hereby reserved or granted, or any of them."

By section 17 the company agreed that in the event of its default "in the observance or performance" of any of the agreements of the ordinance continuing three months after written notice from the city council can declare the grant "and all the rights and privileges" of the company forfeited and at an end.

Aldermen who respect their constituents should have that City Forester ordinance amended so as to permit property owners to trim their own trees without paying the City Forester a fee for permission to do so.

Hans Luchow, Chicago manager for August Luchow, has earned a high place in the estimation of Chicagoans by his high and honorable business methods and his record as a citizen.

No imported beer on the market today has met with greater success than that handled by August Luchow. The Original Pilsener, from Pilsen, Bohemia, is sold by this big concern, as is also the famous Würzburger Hofbräu from Würzburg, Bavaria. These beers are the favorites at Chicago's leading clubs, restaurants and buffets. They are without a peer. The Chicago offices of August Luchow are located in the Stock Exchange building, 30 North LaSalle street and are under the management of Hans Luchow. Mr. Luchow has made a splendid record for the business in the West and he enjoys a widespread popularity among Chicago's leading business men and citizens.
